Safeguarding Note

Coronavirus – safeguarding considerations for Baptist churches as restrictions start to relax:

As we begin to move out of Covid restrictions the Baptist Union have written a very helpful guidance note for Churches (click [here](#) to download the guidance).

This short note looks at safeguarding considerations for churches as we start to see restrictions being relaxed and the return to limited face to face contact in small groups.

As we start to think about the re-opening of our churches and our work within the community we will still need to review our safeguarding approach to make sure that we are in step with the latest government guidelines. The note gives you some things to consider as you take steps forward.

If I can support in anyway please do get in touch with me.

Seminars & sessions over multiple dates

The Reading Room - a place for women in ministry/leadership to discover and talk about books:

8 June 2021, 11am - 'Invisible Women' by Caroline Criado Perez

20 July 2021, 11am - 'Theology Brewed in an African Pot' by Agbonkhianmeghe E Orbator

The purpose of the reading room is to build community and learn together. Reading is a beautiful practice and books invite us to explore and to bring into question other worldviews. Our hope is that the reading room will broaden your resource base and creativity in a way that will help you in your own ministry. We recognise that everyone will have their own response to what they read, and we want this to be an activity and community that serves you in your ministry.

Each meeting will last for one hour. For more information, and details on how to join the zoom call, email Jane Day jday@baptist.org.uk

Missing Person - Sittingbourne area, Kent

Le Phi Suong Our Reference KP-20210401-1307

DOB: 19/03/2004 (not Confirmed)

Slim Build, 5ft 3in, Long Black Straight Hair

Missing From: Sittingbourne, Kent,

Le Phi arrived in Dover from France on the 31st March. She was located in a boat.

She claimed to be 17. After speaking to Social Services and the Home Office. She was taken to a temporary Placement in Sittingbourne, she then left the property a few hours later.

It is believed she can only speak a little English.

When asked about how she got to the UK, she said she had paid the equivalent of £330 and she was not expecting to have to pay anymore, she just thought she would come here to work.

This is why we believe she is very vulnerable as she had no idea where she was going or what she was going to be doing.

She did have a distinctive gold coloured Chanel necklace, and a gem on her right front tooth.

She also has acne scars around her chin area. Please contact '999' if she is located.

Baptists Together Hong Kong Response Co-ordinator:

Last year the UK government made a pledge to the people of Hong Kong after the introduction of new security laws following pro-democracy demonstrations. That promise came into effect at the end of January 2021 and it is estimated that between 130,000 and 300,000 people from Hong Kong will be arriving in the UK over the next year. Whilst many of those arriving will be leaving Hong Kong as economic migrants there will be some who will need to leave for their own safety. As Baptists Together we want to respond in a way that is both welcoming to Baptist ministers needing to leave Hong Kong, as well as encouraging our churches to become centres of welcome for those arriving in the country.

We have secured three years of funding from the Baptists Together Strategic Mission Budget for a Response Co-ordinator. This person will be responsible for: liaising with church leaders seeking to leave Hong Kong, connecting them with local Baptist congregations; encouraging Baptist churches to be places of welcome for migrants from Hong Kong; networking and enabling training for the migrant ministers and the churches involved in offering welcome.

This is a post within the Baptists Together Faith and Society Team for approximately 14 hours per week (0.4fte) at £24,500 pro rata.
