## Let's cut the plastic!

Over 8.3 billion tonnes of plastic have been produced since the 1950s. That's enough plastic to cover every inch of the UK ankle-deep more than ten times over. Just 9% was recycled. By 2050 we could have more plastic than fish (by weight) in the sea.

So how can we reduce single-use plastics and the environmental damage it causes? The Church of England has recently produced lots of tips, for example:

1. Buy in bulk to minimize or eliminate packaging.
2. Buy fresh bread that comes in either paper bags or no bags.
3. Use reusable cups, bottles and bags rather than disposable ones.
4. Use a razor with removable blades.
5. Use bar soap instead of liquid hand soap.
6. Use a dish brush with a wooden handle and compostable bristles.
7. Don't buy new CDs and DVDs, instead stream or download music, shows, and films online or borrow them from the library or friends.
8. Avoid plastic pens and instead try using a refillable fountain pen or pencils.
9. Skip the free travel size shampoos, soaps, and lotions offered by hotels. Instead, fill up your own reusable travel-size containers at home.

For more ideas on how we can bless Creation look out for the **eco tip of the week** in each edition of the Weekly News.

## Women's World Day of Prayer 2018

The interdenominational movement of the Women's World Day of Prayer invites everyone to attend one of over 5,000 services being held on Friday 2<sup>nd</sup> March with the title 'All God's Creation is Very Good!' You will join an estimated 3 million people around the world that day in a service which has been written this year by the women of Suriname in South America. With its vast rainforest and wealth of resources, Suriname asks us to pray for conservation and the protection of wildlife, through awareness of pollution, misuse and abuse, as well as for the situation in Suriname and concerns for the future. This is not simply a day of prayer for women, but for everyone who cares about our world and those who live in it. For further information please visit the WWDP website: [www.wwdp.org.uk](http://www.wwdp.org.uk). There is a Women's World Day of Prayer service in Harrogate on 2<sup>nd</sup> March starting at 2:00 pm at the Baptist Church on Victoria Avenue. Please come along and help to pray for Suriname and hear the stories of some of the women who live there.

### **The Investiture, Installation and Welcome of the new Bishop of Ripon**

The rousing sound of Maori haka and chants echoed through a packed Ripon Cathedral on Sunday 4<sup>th</sup> February as Bishop Helen-Ann Hartley became the new Bishop of Ripon. The service was conducted by John Sentamu, Archbishop of York, Nick Baines, Bishop of Leeds and John Dobson, Dean of Ripon. After the service the Archbishop commented, "We have a bishop who cares, a bishop who is a good teacher, a good communicator and has a very, very warm heart."

### **St Peter's Evening Fellowship AGM**

Our Evening Fellowship will be holding their AGM on Thursday 1<sup>st</sup> March at 7:30pm in the Brostoff Hall, when **Sheila Pantin** will be reminiscing about her eventful life and career. Everyone is very welcome. Please bring a guest.

## Fundraising Refreshment Day

There is a St Peter's Fundraising Refreshment Day to raise funds for our Church on Saturday 10<sup>th</sup> March from 10:00 am until 4:00 pm. If you are in town on that Saturday, please come and support this fundraising event in Church. Thank you!

## Resurrected Bites – pay as you feel café

Last month saw the launch of a pay-as-you-feel café at St Mark's Church, Leeds Road, using food which would otherwise go to landfill. The name reflects how the venture gives food new life rather than letting it go to waste. Of course, it only uses food that is still safe to eat and of good quality, and the team of chefs turn it into nutritious and delicious meals and snacks. **Resurrected Bites** will be open every Wednesday and the third Saturday of the month from 10:00

am until 2:00 pm. Why not give it a try?

## St Peter's Library and Resources

Books to browse and borrow will be on display on the table in the South Transept after the 9:30 am service **TODAY!** The books for adults have been popular recently, but we also have a number of attractive books for children. Please come and have a look.

## Radio 4 Book of the Week – Yorkshire by Richard Morris

Regular Radio 4 listeners will be familiar with the programme *Book of the Week*, broadcast at 9:45 am on weekdays and repeated (for nightowls) at 12:30 am. This week **Yorkshire** by Richard Morris has been serialised in five episodes. Richard is an Emeritus Professor of the University of Huddersfield and his interest in churches, settlement, historical topography, cultural history and aviation are reflected in his many articles and books. He is also a longstanding member of St Peter's Choir. If you would like to listen to the broadcasts they are available on **BBC iPlayer Radio** or why not buy your own copy?

**The Collect for the Second Sunday of Lent**

Almighty God, you show to those who are in error the light of your truth that they may return to the way of righteousness:

grant to all those who are admitted into the fellowship of Christ's religion, that they may reject those things that are contrary to their profession, and follow all such things as are agreeable to the same; through our Lord Jesus Christ, who is alive and reigns with you, in the unity of the Holy Spirit, one God, now and for ever.

**or**

Almighty God, by the prayer and discipline of Lent may we enter into the mystery of Christ's sufferings, and by following in his Way come to share in his glory; through Jesus Christ our Lord.

### What did Jesus really say? A live lecture by the Revd Dr Alan Garrow

For the past century most scholars have suspected the existence of a very early set of sayings of Jesus, used in the creation of Matthew's and Luke's Gospels, that they commonly refer to as Q. If Q existed it should provide an even more accurate account of what Jesus said, and what the first Christians believed about him, than the Gospels do. This could be significant because Q, as commonly understood, doesn't include an account of Jesus' death or resurrection. But does the Q theory rest on a firm foundation? In this live lecture, on Saturday 17th March 9:30 am - 12.00 pm at St Mark's Leeds Road (a change from the advertised programme), Alan will show that the traditional view of Q rests on two simple logical errors. When these errors are corrected the standard Q theory collapses; previously overlooked pre-Gospel sayings of Jesus come to light; and Luke's Gospel emerges as a particular source of insight into 'what Jesus really said'. Tickets cost £8, students £5, including breakfast and refreshments. For further details see [www.hstm.org.uk](http://www.hstm.org.uk).

Refreshments are served after each of our Sunday morning services from the kitchen area at the front of Church. Please come and join us.
