Creationtide – 1st September to 4th October

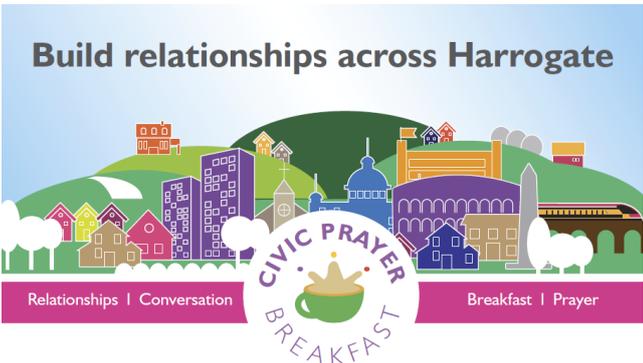

Creationtide is a time when we celebrate Harvest, give thanks for the food we have and take action for those in need. All of our food comes from the Earth, so we need to take care of it, and our choices in this area is where we can all make a difference. So in this coming week you could try to:

- pray for our farmers, pressures on them are huge – from issues of isolation through to financial worries,
- find out more about global food waste at feedbackglobal.org,
- adopt a beehive – bees are a key pollinator of food crops – find out more at bbka.org.uk/adopt-a-beehive-info,
- choose products that have the *Soil Association* organic symbol to help save our soils and improve the quality of our food,
- donate some time or money to *Christian Aid* or *Tearfund*, who work in areas of conflict, where food security is a problem,
- gather seeds, fruits and nuts to grow the trees of the future - to find out more visit www.treecouncil.org.uk/Take-Part/Seed-Gathering-Season.

St Peter's Evening Fellowship – Film Night

O Lord, we beseech you mercifully to hear the prayers of your people who call upon you; and grant that they may both perceive and know what things they ought to do, and also may have grace and power faithfully to fulfil them; through Jesus Christ your Son our Lord, who is alive and reigns with you, in the unity of the Holy Spirit, one God, now and for ever.

or

Lord of creation, whose glory is around and within us: open our eyes to your wonders, that we may serve you with reverence and know your peace at our lives' end, through Jesus Christ our Lord.

Green Your Life eco tip of the week

September – lighting your home

Turn your lights off when you're not using them. If you switch a light off for just a few seconds, you will save more energy than it takes for the light to start up again, regardless of the type of light. Visit www.energysavingtrust.org.uk
