

# Giving

Many of our members give by standing order, and we are thankful for this, but for those who wish to help and give an offering we have two ways to receive your donations using our web site

Please go to the link to our Church Web site

<https://www.standrewsfarnham.org>

If you hit the tab towards the top right of the page called –“How to Donate”

You have **two options**

1/ You can insert a number of the amount you wish to give - alongside the pink donate button and click enter or donate button then confirm if you wish to add gift aid or not and it will take you through the payment steps using **Just Giving** -a well known portal to collect payments

2/ You can also text a donation using your mobile phone

Here is a copy of our web site with instructions , please do not click on the buttons below but go to the web site

## How to Donate

There are many ways to give financially to St Andrews.

Our preferred way for regular giving is the Parish Giving Scheme, however for occasional giving you can use the Just Giving option

OR

You can text a donation using your phone.

We use “**Easy Donate-National Funding Scheme**”

Your phone service providers normal text charge may apply.

Simply **Text –(the 0s shown below are numbers zero)**

**To donate £1, text STAF001 to 70201**

**To donate £3, text STAF001 to 70331**

**To donate £5, text STAF001 to 70970**

**To donate £10, text STAF001 to 70191**

This is acknowledged, and in the reply you can opt to add gift aid. Your donation is added to your phone bill
