

Farnham town treasure hunt

During August there are 31 different figures hiding in shop windows – one for each day of August! How many can you find? Write down their name and location of each figure in the table below and overleaf. When you have found as many as you can send an email or photo of your answers to josey.cyfm@standrewsfarnham.org. The map overleaf shows the streets involved highlighted in yellow. Families who find the most will be entered into a draw in September to win the first prize. To help you get started, Jesus is hiding in the porch at St Andrew's!
