

Freedom

Noel Robinson & Goziam

Verse 1:

My life is not the same
Your love has rescued me
Everything has changed
I'm living in Your liberty

No chains holding me
Since I've been set free
Your Blood has washed my sins away
I have the victory

Chorus:

Freedom, yes I'm singing
Freedom, yes I'm dancing
Freedom, yes I'm shouting

Outro:

Freedom to walk right
Freedom to talk right
Freedom to live right
In the power of the Holy Spirit

Freedom
Freedom
Freedom
Freedom yes
