

# I Believe in Miracles

Noel Robinson

## Verse 1:

I believe You are the Son of God  
And You are the only One  
There's no way that I could doubt Your Name  
For You took away all my shame

## Pre-Chorus:

There's a faith in me that arises  
Every time I hear Your Name  
Miracles and wonders still happen  
When I call upon Your Name

## Chorus:

I believe in You, Lord  
In your supernatural power transforming  
I believe in You, Lord  
To make the impossible possible  
I believe in You, Lord  
I still believe in miracles  
I believe  
I believe  
I believe in miracles

## Bridge:

Water into wine  
Open blinded eyes  
Deaf begin to hear by the power of Your Name  
Lame begin to walk  
Mute begin to talk  
Demons they will flee by the power of Your Name
