

One Hope, One Faith

Noel Robinson & Donna Akodu

Verse 1:

We were strangers from different walks of life
With no future and no hope in sight
But the Saviour came and set us free, now we're living
In total victory

Chorus:

One hope, one faith
One Father by which we are saved
One purpose, one mind
Jesus is the hope of mankind

Verse 2:

No more in darkness, You have brought the Light
You have given Love and Truth to me
I am Your child, I can dream again
Trusting in You, this hope will never end

Chorus:

One hope, one faith ...

Verse 3:

We are waiting for the day of Your return
But 'til then Your message must be heard
Of this hope reaching out to everyone
Of salvation that lies within Your Son

Chorus:

One hope, one faith ...

Instrumental

One hope, one hope, in You we stand
One church, one faith, together we stand (x4)

Chorus:

One hope, one faith ...
