

You Loved Me

Noel Robinson & Tanya Robinson

Verse 1:

There I was not searching for You
You found me in my sin
In my world filled with darkness and pain
Your light shone and Heaven prevailed
You spoke and announced love
It showed up in torrents like water
The search is over
Jesus You found me
You found me

Chorus:

You loved me unconditionally
You chased me relentlessly
You searched me and You found me
And now (Jesus) I'm Yours, completely Yours

Verse 2:

Here I am now in Your presence
Your glory shines around
I have found Your love is complete
Now I've surrendered at Your feet
You spoke and announced Love
It showed up in torrents like water
The search is over
Jesus You found me
You found me

Bridge:

With loving kindness You woo (sought) me
With grace & mercy You chased me
With outstretched (loving) arms You received me
Now I am Yours, Jesus I'm Yours

I surrender all
All to Jesus, I surrender
I surrender all
