

# You Are Holy

Noel Robinson & Donna Akodu

## Verse 1:

As we behold Your glory  
Creation tells the story  
A universe filled with Your power  
A Word spoken from Your throne  
Set stars and galaxies in place  
We see Your glorious nature unfold

## Chorus:

You are holy  
You are Holy  
You are Holy Lord, oh

## Verse 2:

Before the world began, You reached out Your Hand to man  
For the redemption of our souls  
The Lamb slain on the cross  
For a world that was lost  
You left Your Heavenly throne for me

## Bridge:

Blessings and honor  
All wisdom and power  
Be to our God forever and forever

Heaven, and earth sings: "Worthy, Worthy"  
Angels and all nations say: "Holy, Holy"
