

Children's Church 2 May 2021 Acts 8:26-40

Name:

First: who do you go to if ...

you've got toothache?

Need help with spelling a word?

Don't understand a bit in the Bible?

In today's story, a man is reading a bit of the Bible but he doesn't understand what it means. An angel tells Phillip to go along the same road, they meet and Phillip explains. The man asks to be baptised! And then goes happily home to tell everyone about Jesus. Now make a model of Phillip baptising the man.

Craft: a collage with some paper engineering.

1. First you need to draw two people on card, colour them and cut them out.
2. Now draw and cut out one arm for one of the people.
3. Make holes and push through the paper fasteners. Then open them out.
4. Stick the people to a large piece of card. You can stick a folded piece of card behind Phillip.
5. Now draw the water and cut it out. Stick it on like the example.

Can you make Phillip push the man under the water and pull him up again? That's what we call 'born again', when someone gets baptised. They have decided to become Christian because they believe that Jesus is God's son. We can tell people about Jesus too!
