

DATA RETENTION SCHEDULE FOR THE EAST MIDLAND BAPTIST ASSOCIATION

Introduction

This data retention schedule accompanies the Data Protection Policy of the East Midland Baptist Association (“EMBA”). It sets out the time periods that different types of documents and records must be retained for business and legal purposes. This is a lengthy document listing the many types of records used by EMBA and the applicable retention periods for each record type. You need not read the entire document but rather should focus on the types of records relevant to your role.

The retention periods are based on business needs and legal requirements. Information which is held longer than necessary carries additional risk and cost. Retention periods are independent of format and can therefore be applied to any medium whether paper or electronic.

This policy applies to all staff, which for these purposes includes employees, temporary and agency workers, other contractors, interns and volunteers. If you maintain any types of records that are not listed in this schedule, and it is not clear from the existing record types in this schedule which retention period should apply, please contact the EMBA Data Protection Officer, Mr Garry Clewlow at garry.clewlow@embaptists.org.uk, for guidance.
