Keynote Speaker – Revd Roy Searle

He describes his calling to ministry as one that seeks to encourage people to love God, think deeply and live generously. A pioneer, he is one of the founders of the Northumbria Community, a past President of the Baptist Union he now serves our Baptist movement as one of the Union's Pioneer Ambassadors. He is an associate tutor at Spurgeons College and a Fellow of St John's College, Durham, where he was involved in establishing training for Baptist Ministry at Cranmer Hall and is also a member of the Renovare Board. He pioneered and pastored a thriving church on a large council housing estate on Teesside before moving on to become senior pastor of a large evangelical charismatic church on Wearside before founding the Northumbria Community back in the early 1990's. He now spends his time working as a consultant, writing, mentoring pioneers and young missional leaders, speaking and preaching, leading retreats, offering spiritual direction and advising leaders and teams in both the church and the charity sectors. Outside of work he enjoys spending quality time with family and friends, walking, playing tennis, golf, cycling, curling and when opportunities allow, sailing. Having travelled extensively for many years, Roy is enjoying travelling still but mostly from his home in Alnwick, Northumberland where he lives with his lovely wife Shirley. He remains a Guardian reader, committed European and loyal Middlesbrough football club supporter.
