SUPPORTING YOU

HOW CAN WE SUPPORT YOU?

We are determined to keep our refuges & support services running during this time and in line with Government guidance our teams are now working differently in order to do this.

We are providing support in several ways including:

- Refuge accommodation and support
- Video support sessions
- WhatsApp messaging
- Telephone calls
- Email support

Your worker will discuss and agree with you your preferred option.

Useful Contacts:

IF YOU OR SOMEONE YOU KNOW IS IN IMMEDIATE DANGER, CALL 999 AND ASK FOR THE POLICE

If you are not in immediate danger but require support, please contact us using the details below.
