Newcastle Diocesan Synod
Programme of Renewal & Reform
Note by Canon Carol Wolstenholme

1 Renewal and Reform Programme

Introduced in 2015 and growing rapidly. The programme is the response to the three goals set by General Synod: (i) to grow the Church; (ii) to re-imagine ministry; and (iii) Contribute to the Common Good. By February 2016 there were nine work streams within the programme:

<table>

<tr>
<th>Resourcing the Future</th>
<th>Resourcing Ministerial Education</th>
<th>Lay Leadership</th>
</tr>

<tbody>
<tr>
<td>Growing Vocations</td>
<td>Senior Leadership Development</td>
<td>Optimising the roles of the NCIs</td>
</tr>
<tr>
<td>Simplification</td>
<td>Developing Discipleship</td>
<td>Evangelism</td>

2 Lay Leadership Strand: National Task Group

Purpose: to review how the Church supports lay leaders in community and society as well as within church structures.

Objective: to make recommendations that will increase the effectiveness and confidence of lay people in leading where they are called to serve – in wider society, in local community and within the Church of England in ways that grow disciples, extend God’s Kingdom and transform society

And: Releasing Lay Christian Leaders in Church & Society.

3 Diocese of Newcastle Lay Voices

Lay Voices initiative has worked with lay people for the past two years. Key conclusions:

- **Evidence** that it is possible to motivate and energise people through interventions that encourage relationships, allow challenge and promote information and understanding.
- **Although we can develop** skills and help the laity to flourish there is a lack of culture, in part, for the potential gifts of lay leadership to be unlocked.
- **A need to ensure** processes are in place to enable lay development to become part of the fabric of the way we work.

4 Key question

*What are we developing a confident leadership to do?*
5 Extract from Bishop Christine’s mandate

“Continue to develop laity and clergy in their shared ministry and Christian leadership with a particular focus on encouraging lay people to find their voice and to take up leadership roles at every level in the diocese, the national church and worldwide.”

6 Our approach

- To establish a vision of what collaborative shared ministry might look like in five years’ time; the foundation blocks that need to be put in place to achieve the vision; and what needs to change and develop an implementation plan.
- To develop plans for a conference for lay leadership development and to organise the Conference.
- To work alongside other initiatives that are in development, particularly the Companions of St Aidan, Discipleship and programmes such as Leading Your Church into Growth.

7 Our plan

1 Vision
- What should Lay Leadership look like in five years’ time?
- How will lay and clergy be working together?
- The theological foundation

2 Best practice
- What is working well in other places?
- What is working well in parishes and Deaneries?
- What do we want to celebrate and encourage?

3 What needs to change?
- What should we start/stop/continue doing?
- What are 3/4 key priorities to work on?
- Finance and resources strategy

4 How do we embed change?
- Implementation plan
- Culture change programme
- Structural and financial changes
- Monitoring and evaluation
- Measurable outcome

8 The process has begun

- Meeting with 14 lay leaders in the Diocese, including Bishop’s Council members
- Need to consult many others – Clergy, Readers, Task Groups
- Over the summer the consultation will continue
