

## GoodBox Mini

### Device overview

The GoodBox Mini is a lightweight and versatile device that can be used to take donations on its own, in a stand, or fixed into a GoodPlate. It can accept donations made using both contactless and chip & pin, and can work with or without connectivity.

- *Upfront cost:* £118.75+VAT. Leasing options start from £17.50 a month.
- *Monthly fees:* £17.50 a month, 12 month minimum contract.
- *Transaction fees:* 1.5% per donation. This is automatically deducted before donations are transferred into your church's bank account.
- *Connectivity not required:* donations will need to be uploaded via an internet connection at a later point, but internet connectivity is not needed at the point of making a donation. There is a SIM card in the device (included in the cost of the monthly fee) which can connect the device to the internet if you have mobile phone signal but no WiFi.
- *Securable for unattended use:* if placed within the GBx Mini Stand (£30), the device can be secured with the security pack (£15). The stand can be customised with bespoke artwork (for an additional fee).
- *Digital collection plate:* the GBx Mini can be used within the GoodPlate (£85.50).
- *Works out the box:* simply turn the device on and start collecting donations.
