

PayaCharity Payter

Device overview

The PayaCharity Payter is a tap-and-go device that allows for speedy donations processing. It can also store donations offline.

- *Upfront cost:* from £305+VAT for LAN connection, from £329+VAT for GPRS connection. Leasing from £15.95 a month, short-term hire options also available.
- *Transaction fees:* 2.49%.
- *Monthly fees:* £12.95 a month.
- *Connectivity not required:* donations will need to be uploaded via an internet connection at a later point, but internet connectivity is not needed at the point of making a donation.
- *Securable for unattended use:* the device can be secured in a number of different ways, including in bespoke integrated cash boxes.
- *Works out the box:* simply turn the device on and start collecting donations.
- *Tap-and-go:* pre-set three donation amounts for donors to choose from; donating the default amount simply needs the donor to present their card with no device interaction required.
