Reed and Alannah from Milnrow Parish have created a decoration from used coffee lids!

How to make coffee lid snowmen

What you'll need:

1 Old Takeaway coffee lid, string, a black marker pen, scrap paper and glue!

Step one:

Find some scrap paper that is no longer needed and cut it into a hat shape.

Step two:

Stick the hat to the top of the coffee lid.

Step three:

Using the marker pen draw a snowman's face.

Step four:

Tie a piece of string through the hole to create a hanging decoration!
