

Dear All,

With the latest news of stricter Covid legislation, and further restrictions over the Christmas period. One thing I must say, is that if you feel even slightly ill, please don't take the risk for those who do come to services, and do please stay at home. We will continue to abide by our Worship Service Risk Assessment. Please take thought for those who are stuck, and struggling. Thank you.

Please note that there will be no Service in Church on **Sunday 27th December**, but we will be posting a link to a service provided by the Bishop's and the Diocesan Team.

## **Babes and Toddler's Christmas 'Service'**

On Monday, Julia Hedger is going to distribute gifts for the toddlers who will be coming, they will gather at the Porch of the Church, socially distanced, and Christmas Carols will be sung, and Julia tell a Christmas story for the Children, and it will be a simple stamp of Christmas with the giving of gifts. Please pray for this simple outreach to the young families of the village.

## **Christmas Eve Midnight Service**

Thank you to Sheila Austin for administrating this for us, over the last few weeks.

## **Grayshott Primary School Art - Susie**

Many thanks to Susie for organizing the pupils of Grayshott School to make pictures relating to different parts of the Nativity Story, which have been displayed in a number of the Village Shops. Do look out for these in the village.

## **Christingle - Craft Bags and Children's Society**

### **Donations**

Thank you to Barbara Ward and Lin Corlett who have worked tirelessly to provide bags for children to make their own Christingle Oranges, they have been in the porch of the Church for collection.

A Donkey! There have been some posts on local Social Media about this, This was the famous 'Mr Moon' who came to film our Christingle Nativity Story. Many thanks to the shops and businesses in the village who helped us to do this. We would normally make a collection for the Children's Society:

So **If you would like to give to the excellent work of the Children's Society**, please find information about them and giving options on their Website [HERE](#)

## **Scouts**

The Cub Scout Leader Katie-Jane and her Cubs, have completed an activity promoted by 'Company for Kindness' this half term, and decided to create a Christmas box each for a lonely person for the festive season. The Cubs all decided they wanted to help put a smile on someone's face this Christmas. They worked on them for 3 weeks wrapping a shoe box in Christmas wrapping, carefully deciding on gifts and creating some decorations to go into the boxes and writing a small card and letter to say who the box was from and most of all wishing them a Merry Christmas. "As a troop, every week we say our Cub

Scout Law, and this is one way we are sticking to it." These have been delivered to the Church, for us to distribute.

There is so much information, and so much going on. I am very grateful to you all for the amazing work that is continuing to help us connect with the village, and to provide such excellent materials and opportunities to engage with the Christmas story, and the coming of our Lord Jesus into our lives. Let us pray for those who are in despair, and as the Lock-down is only getting worse for many people, remember the Vicar's relief fund, which is going on, and perhaps there are some people you know you can help or contact to support in some way.

If we don't see you, have the happiest Christmas you can! but take time to explore the wonder of the love and presence of God, and ask him to come to you in a special way, in the power of his Holy Spirit, to comfort you, and to inspire you, just as we are praying he will.

With love from Jeremy and Claire.
