## Dear St Luke's,

As we continue through January, we set our sights on what we might achieve and how we might look next Christmas. I believe that the Lord is at work.

We had our Fundraising Team meeting which set out a wonderful programme of events, which addresses our fundraising priority, but also celebrates building community and our connection with the village. The plan will need some commitment and energy from everyone to get through.

I have been speaking about the hallmark of God's Kingdom is the image of Jesus. We are here to present Jesus to each other, and invite people to "Come and see". Thank you for all you all do. Bless you.

*With love, Jeremy & Claire*

## Prayer Space in Church

Prayer has always been at the centre of St Luke's Church. In the past we have had an area set aside for private prayer and it is really good to reinstate it again in front of the side altar.

Here you will find a quiet space to rest and contemplate or to pray or even to be prayed for, at any time the church is open.

On a Sunday between the morning services around 10.00am please come and join us in the prayer space to pray for the church.
