

# Diocese of Hereford Mission and Ministry Spring 2025

25th March, 2025

Welcome to the Spring mailing from the Mission and Ministry Team. We're excited to bring you news of activities and events across the Diocese organised by the team, information about courses and opportunities from beyond the Shire, and to tell you a little about two new members funded in partnership with the Archbishops' Council.

If the format looks a little different it's because we're getting used to using MailChimp rather than sending a pdf. If you want to update your preferences just scroll to the end past all the delightful invitations.

Please contact the team using the links below. You can meet (some of) us here: <https://www.hereford.anglican.org/mission-and-ministry-team/>

In our context, **Oversight Ministry** is a way of describing the cure of souls (incumbent/priest in charge/rural dean) exercised across multiple parishes and/or congregations. There are no experts, no one model or economy that fits all.

A group of parish clergy in the Diocese of Hereford has been finding encouragement and sharing wisdom through a termly conversation on a Wednesday afternoon in Ludlow.

On the last occasion Luci Morris gathered us in prayer and then the group shared something that has helped or is helping them develop in building up the whole people of God in mission and ministry.

## Responding to God's Call: Reflection, Reconnection,

### Recovery

**Tuesday 6th to Wednesday 7th May 2025**

Stratford Manor, Warwick Rd, Stratford-upon-Avon, CV37 0PY

If you've found yourself thinking or saying, "I wasn't ordained to do this" perhaps this opportunity to reconnect to God's call is for you.

Maybe all the change in church and culture is leaving you wondering what God is calling you to be and do now as the patterns and practice of ministry change faster than a Formula 1 racing team change tyres.

**Responding to God's Call** is a process and a journey for **licensed clergy**, rather than an event. In this overnight residential, led by Roger Latham (Vicar, Great Malvern) and John Fitzmaurice (DDO Worcester), you'll reflect upon your journey of vocation, listen for God's call in a changing world and church, and seek a direction towards God's future.

Participants will share experiences and explore the example of characters from Scripture whose journeys took them to places they did not expect.

The cost may be covered by CMD funds, leaving you only the cost of travel to cover.

Limited places. Please contact [Mark Godson](mailto:Mark.Godson@hereford.anglican.org) asap for details

## Celebrating Wisdom

### Renewing Ministry for a Changing Church

West Midlands Ministry Development Partnership

#### **A course for Clergy and Ministers of the West Midlands who want to reflect on their vision for Ministry**

This programme is more of a workshop/retreat that aims to encourage those with longer experience of ministry to step back and reflect on their journey, recognise and celebrate of the wisdom acquired. More than this it aims to enable the discernment of continuing vocation and gifts, to release energy and set free imagination for the discerning of God's lead into the next stage of their journey as Ministers in Christ's Church.

The programme involves:

- a regular rhythm of prayer and worship: Offices, Eucharist and Lectio Divina;
- personal reflection activities and exercises;
- facilitated group work - 'Wisdom Groups';
- space for rest and recreation.

The Wisdom Groups are central to the course, learning from experience and critical reflection upon life and our ministerial journey.

The course will be hosted by the Revd Kate Stacey (Collaborative Ministry Lead, Gloucester Diocese) with a highly experienced team of facilitators.

#### ***Who is it for?***

The programme is for those in ministry with more than 10 years of ordained experience. It is particularly valuable for those wanting to 'take stock' and ponder the next phase of their ministry - whether its time to move posts, shift gear, or keep on keeping on. It provides a process for reflecting on vocation and discern the future. We have a maximum of 12 Participants on the course.

#### ***Outcomes:***

By the end of the course, we hope you will have gained:

- renewal of energy for your ministry and discipleship;
- re-envisioning of your ministry in a changing Church;
- encouragement to offer your skills and experience beyond your context;
- (and perhaps, greater clarity about whether to stay, or to go!).

#### ***Upcoming dates:***

This course runs annually.

The next opportunity to participate is 9 - 13 June 2025

The programme begins with lunch (1pm) on Monday 9 June and ends after lunch on Friday 13 June. It is vital for participation in the programme that all are present at the beginning

venue: Holland House, Croptonme, Pershore WR10 3ND

Cost: The cost of the programme is borne by the Diocese.

## New Team Members

### Suzanne Gurney

Having been involved with children's, schools, uniformed groups, and church children's & youth work for more than 20 years I feel so blessed that God has guided us as a family to Hereford Diocese. I'm excited to be taking on the role of the first Youth & Community Worker with the Hub Project at Bishop's Castle. With a love of the outdoors, I'm looking forward to exploring, and supporting, the places and people in and around the Clun deanery area and using my creative & craft skills, too.

### Ed Ceney

I started in January as the Youth Pioneer for the Leominster Youth Hub. I'll be working with churches in the Leominster, Kington and Weobley areas developing worshipping communities for, by and with young people. When not at work, I enjoy volunteering for the [Morning Star Trust](#), a charity which takes disadvantaged young people sailing all over the British Isles. Morning Star on [TikTok](#)
