School Effectiveness Partnership Agreement Form	11

Foreword from the Diocesan Director of Education (DDE)

We are delighted to introduce you to our range of School Effectiveness Support services and packages. These have been designed to ensure schools are able to access the bespoke support they need to meet today's challenges, in a cost-effective way.

Each package contains a half day review of school priorities with the headteacher and senior leaders. As an outcome of this session, we will formulate a set of specific measurable objectives as a focus for the school effectiveness work to be undertaken. In turn, a School Effectiveness Adviser or Advisers will be allocated to your school based on their educational expertise. This will depend on the range and extent of your requirements.

We believe that working collaboratively with our Diocesan School Effectiveness Team will enable your school to benefit from:

- bespoke school effectiveness support
- support that is implemented with you, not to you
- continued access to experienced education professionals
- positive support whilst being held to account.

Schools can purchase their School Effectiveness Partnership Agreement at any time of the school year and the time allocated will be honoured until it has been used. If a package is not suitable for your current needs, our Core Services, listed on pages 8 - 10, can be purchased separately.

If you have any further questions, or would like to discuss the content of packages further, please contact Toni Enefer on 01432 373341 and she will be delighted to discuss your requirements in greater detail.

Package 1: £1,900

Headteacher Performance Appraisal Half Day Review of School Priorities 3 Days of School Effectiveness Support

Headteacher Performance Appraisal

It is the responsibility of the Governing Body of a school to appoint an external adviser to support and advise on the headteacher appraisal process. As part of this enhanced package we can provide this service, allocating one of our School Effectiveness Advisers who is equipped with the skills, experience and objectivity to fulfil the role.

The School Effectiveness Adviser will:

- spend a half day in school with the headteacher and governors to support the review of current targets
- assist in the setting of specific, measurable and achievable targets
- facilitate and run a mid-cycle review to ascertain progress towards meeting the targets set with the headteacher and governors, over the course of a half day in school. This may include possible re-negotiation of measurable outcomes where appropriate.

It should be noted that the School Effectiveness Adviser is not responsible for determining whether the headteacher should be awarded a pay increment. This is the role of the governor appraisal panel. However, governors are permitted to ask for advice and should consider this carefully before making a decision.

Half Day Review of School Priorities

In this session, alongside school leaders, the School Effectiveness Adviser will help to identify school priorities and areas that may require further support. This may be underpinned by the school's current assessment information, school development plan and self-evaluation. A set of specific measurable objectives will then be written collaboratively to reflect the identified areas of need and to focus the school effectiveness work to be undertaken.

3 Days of School Effectiveness Support

The school effectiveness objectives are used to create an action plan for the 3 days of in-school support. Once agreed with the headteacher, a School Effectiveness Adviser(s) carries out the subsequent work in school. Identification of the appropriate Adviser(s) is agreed between the headteacher and the Diocesan Director of Education or allocated School Effectiveness Adviser before the package begins.

Package 2: £1,500
