

From September 2024, the Governors of Ince CE Primary School are looking to second a leader to the Head of School role. We would like to offer this as a 2-term secondment to allow us the opportunity to appoint to this role permanently.

This is an exciting opportunity for the right candidate to lead a vibrant school with a big heart. You will be strategically supported and coached by an experienced Executive Headteacher.

If you would like a confidential chat with the Executive Headteacher and a tour of the school, please email: enquiries@admin.ince.wigan.sch.uk

- *Are you an outstanding school leader with a proven track record and an unfaltering determination to lead school improvement?*
- *Are you a committed Christian who leads with Christian values?*
- *Do you have the skills, knowledge and experience to guide and inspire staff and children through challenge and support them to reach their fullest potential?*
- *Are you looking to make a significant difference in a community by letting your light shine?*
- *Will you be committed to playing an active role in the ongoing development of our thriving Church School?*

The successful candidate will drive our clear, focussed vision to take the school forward, and the practical skills to turn that vision into a reality. You will have the ability to build positive and successful relationships with children, staff and families based on Christian values. You will also work closely with parents and carers to encourage their children to 'shine' during their time at school and beyond.

It is important that our Head of School is 'hands-on', modelling and developing best practice, coaching and motivating a talented and committed team of staff.

You will be strong on the analysis of data and have an excellent grasp of classroom practice, ready and willing to lead by example.
