

Statistical Review, January - December 2024

A	If you can do so, it would be extremely helpful if you could enter your responses to these statistical questions online at https://forms.office.com/e/gNssSMvvg3 . However, if you are unable to do so, then please print this form off, complete it and send it to your Archdeaconry Warden or Assistant Archdeaconry Warden of Readers, and we will then enter your answers online for you.		
B	Please note that in any event and as per the Self Evaluation Form, responses should be submitted no later than 28 February 2025 .		
C	While accurate answers are always preferred, please estimate your responses to all questions if necessary.
