

Pastoral Care:

Personal support for students.
Hospitality for all faiths and those of none

Being there for students, making conversation, Listening to others' narratives. Showing God's love.

Personal support for staff

Crisis and Bereavement Care - For example, being part of the college's response to a student death.

International Students

Nurturing Spiritual Growth:

Celebration - Providing services to mark special events and opportunities to worship and pray.

Inter faith work - Liaising with other faith groups

Nurturing the whole person - helping the college to meet OFSTED and Children Act requirements

Chaplaincy

Ethics:

Contributing to discussion of ethical and social justice issue

Involvement in teaching and development of SMSC course materials

Recognising the significance of faith

Arranging occasional lectures

Building Community:

Supporting access, retention and recruitment of students from all communities but especially those from deprived and marginalised communities

Strengthening awareness of the college in local faith communities and vice versa

Providing a focal point for community response - Creating opportunities for networking within the college
