## Growing with God

This leaflet is designed to help you reflect on your life and your relationship with God.

You may want to reflect on the questions below with someone or you may choose simply to use them for your own personal reflection.

### There are six questions for reflection

- C Christian** What does it mean to me to be a Christian now, in the 21st Century? What journey has brought me to this place?
- A Attracted** Where may God be calling me now, in mission, service, prayer, community, care for the world, ministry, social action, evangelism ...?
- L Listening** Where am I hearing God most strongly: in people, the world, creation, the church, the Bible?
- L Life** What is happening in my life now? In my ideal world, what would I be doing?
- E Experience** What have I learned from my experiences of life so far: the joys and challenges? When have I seen God at work?
- D Depth** How am I deepening my relationship with God, through prayer, worship and daily life? How can I become more like Jesus?

## Some next steps

If you haven't already done so, you might find it helpful to talk with someone about these questions, e.g. a trusted friend or someone from your church.

If you think that it would be helpful to continue the conversation beyond that, many people choose to meet regularly with a Spiritual Accompanier or Director.

What you can expect from a conversation:

- Plenty of time to chat. The conversation will be focussed on encouraging you not on judging you.
- Time to pray, talk, listen and reflect together.

Some people like to make a simple plan of action. If you like to do this, then you might like to use the boxes on the back page.

- We suggest you include one step to resource your own spiritual journey and a step for living out your faith.

For it is God who is at work in you, enabling you both to will and to work for his good pleasure.
