An online DBS check can be completed by accessing the internet from any device that has this facility. This includes a smart phone, tablet, laptop or PC. It is supported on the latest versions of all modern browsers; however, we do not recommend access via Internet Explorer as this browser is unsupported both by our technology and soon by Microsoft also. If you do not own your own computer, you can go to any internet café or local library. Please be aware that you must complete your application form in full as part completed applications form cannot be saved.

The screenshot shows a web page with a dark blue header containing the 'SECURITY WATCHDOG' logo and 'Part of Capita plc'. The main content area is white with a light blue border. It contains the following text:

A key requirement of the Certificate process through the Disclosure and Barring Service (DBS) is for your identification to be verified by the organisation requesting this Certificate on you.

If you do not hold at least one of the identification documents listed below you should seek clarification from the organisation requesting this Certificate on you prior to starting your application as you may not be able to submit your application online.

- Current valid Passport (Any country)
- Biometric Residence Permit (UK)
- Current Driving Licence (UK, Isle of Man/Channel Islands) (full or provisional)
- Birth Certificate (UK & Channel Islands) - issued within 12 months of your date of birth

Sometimes, we might be required to undertake an External ID Verification Validation check. If so this is undertaken independently and may require your consent.

Please read the document DBS list of acceptable identification for details about the identification we require. You can get further guidance about the DBS Certificate process at [www.homeoffice.gov.uk/dbs](http://www.homeoffice.gov.uk/dbs).

Please note, only English language applications can be submitted online - Welsh language applications must be submitted using the paper application route. If you require your certificate to be produced in the Welsh language please do not continue with this online application and contact the organisation requesting this application on you as a Welsh language application form must be completed and submitted to the Disclosure & Barring Service.
