We have opted for bed and breakfast only. All the places where we stay will have a selection of restaurants, to suit all pockets, or you can choose to eat at the hotel. Costings are based on a party of 20. Single room supplement £350. All transfers included, so very little walking required.

You will need to book your own flight. It will be cheaper on line. If you are unable to do this, we may be able to assist. Of course you may choose to travel overland, in which case, own arrangements. We will recommend flights as soon as the tour is declared go. Arrangements have been made through KHKD Prague.
