### Angola 2024

Good news is that I have the passenger train timetables now in operation on the CF Benguela Moçamedes. It will be possible to travel over the CFB all the way from Lobito to the border town of Luau. By September I will have first-hand reports on all three railways in Angola. Many thanks to LCGB members Robert and Hester Pierce for their recent observations on the CFB! We plan for the tour in late August to mid-September 2024. Hopefully, an itinerary will become available in the autumn. Enquiries to Geoff Warren contact details below.
