Do you know the answer to this question?

- How many people do you think came through the doors to St John's Church and Hall over the last 7 days (Sunday to Saturday)?
- Answer: **For all services, activities, and events, approximately 1066 (one thousand and sixty-six). The numbers form a significant date in English history and a significant total in the current history of St John's Church.**
- All ages were part of the grand total: from babies, children being baptised, St John's School pupils, students of musical instruments, older coffee and tea drinkers, younger and older parents, all ages listening to music, teenage dancers, prospective parents.
