

Discipleship Teaching #3

Kingdom

Kingdom - where God's will is being obeyed.

Reference Scripture:

Matthew 6 25-34 ESV

How do I know what the King wants?

How do I do what the King wants?

- you may have testimonies of when you have done this.
- this is often sacrificial/selfless and sometimes means taking risks.
- think of ways our DC Groups can be Christ centric.

How can DC Groups work to extend the Kingdom?

- there may be pitfalls e.g. ensuring the gospel is linked to social action.

For personal reflection:

Where is my life not under the reign of Jesus?

What do I need to stop doing?

What do I need to start doing?
