

Discipleship Teaching #6

Honour

Honour - the glue for all human relationships.

Reference Scripture:

Mark 6 v 1-6

"Love one another with brotherly affection. Outdo one another in showing honour." (Romans 12:10, ESV)

Why is honour so important to God?

Think about...

- when Jesus modelled honour
- the consequences of dishonour
- the fruit of honouring others.

When is honour difficult and what should our response be?

What will honour look like in our DC groups?

Think about:

- how we can promote self awareness so that we honour one another.

"A culture of honour is celebrating who a person is, without stumbling over who they're not." Bill Johnson
