

Discipleship Teaching #5

Equipping

Equipping - the blueprint for building the church.

Reference Scripture:

Ephesians 4 v 1-16 ESV

Fivefold Gifts (APEST):

Apostle Prophet Evangelist Shepherd Teacher

Where did Jesus demonstrate the 'fivefold' gifts (APEST) in the Gospel record? Can you think of other examples from scripture where the Godhead (Father, Son and Holy Spirit) show them to be part of their nature?

How can DC Groups use their 'Up, In and Out' formula to develop their people in the fivefold giftings, which Jesus lived out? What practical ways can we do this?

What must be added AND removed (post COVID) from our church ministry activities, in order to to make APEST strongly active and present in all our churches? What will we look for to know that we have achieved this?
