

What we will cover:

- ▣ **Whose responsibility**
- ▣ **DC-S**
- ▣ **Live streaming**
- ▣ **Music and messages at the graveside**
- ▣ **Other options**
- ▣ **Questions**

Whose responsibility:

It's probably not yours... or doesn't HAVE to be yours

Wellbeing

DC-S:

Demand Control Schema – Managing demands

Interpersonal, Intrapersonal, Environmental

Dean, R. and Pollard, R., 2013. The Demand Control Schema. North Charleston: CreateSpace Independence Publ. Platform. ISBN: 9781489502193

Live Streaming:

Just **Go Live** on Facebook or YouTube or Instagram

Try it today

Live Streaming: using a content mixer

Live stream to a personal Profile, a Group, or Page on Facebook, or to YouTube.

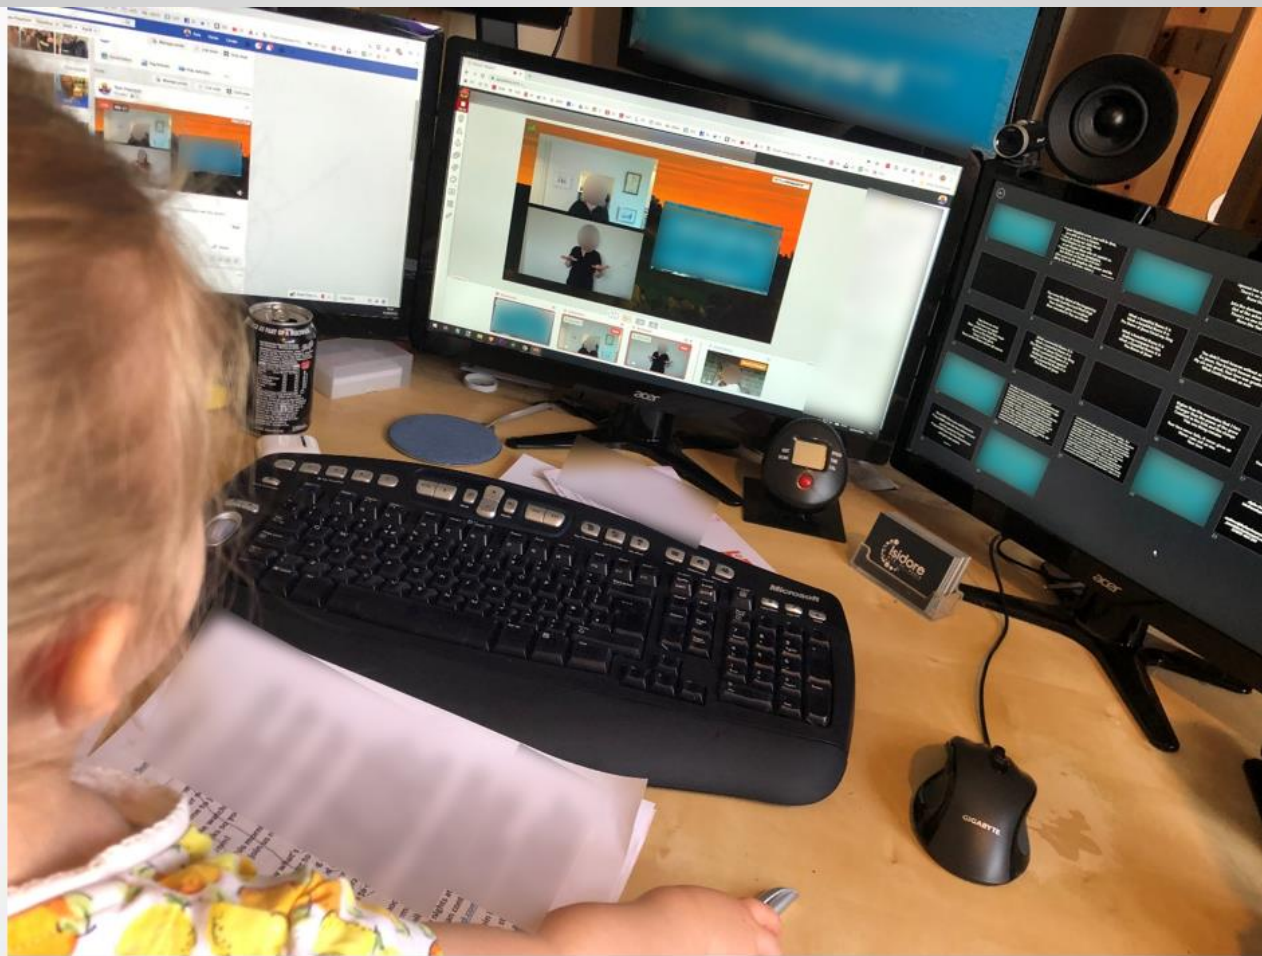

Have guest presenters from multiple locations.

Share your screen (PowerPoint, Keynote, etc)

Show photos and pre-recorded video

Put messages on screen, show comments from viewers with one click.

<https://be.live> or <https://streamyard.com>

Music Licences:

<https://uk.ccli.com>

It honours the artists and publishers who create music.

CCLI “makes creative works available and licensing simple, legal and affordable.”
