

*Time  
to make  
plans?*

*“to have and to hold  
from this day forward”*

---

---

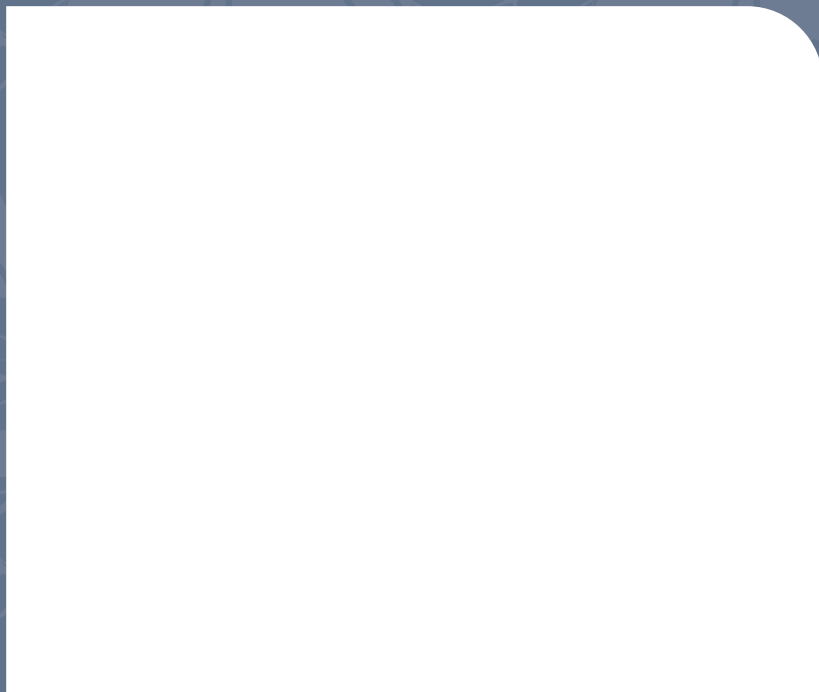

At last we can talk about your wedding day -  
do get in touch so we can see what's  
possible right now.

We'll look forward to hearing from you.  
You might like to use this prayer  
as you begin to make plans:-

*Loving God,  
Thank you that we can  
look forward to our wedding day.  
May it be a special moment in a lifetime of love  
Blessed by your presence.  
Amen*
