## VARLIE SHELDRAKE 8<sup>th</sup> May 1939-21<sup>st</sup> November 2022

Varlie was born in Norwich in 1939. She was the second daughter of William and Ivy Marston a younger sister to Olive who was born in 1926. The family lived on a new development in Sprowston. Varlie's father came from an old Norwich family of merchants and at the time was trading as a brush manufacturer, with a workshop in St. George's, Norwich. In her own words – she had a usual wartime childhood! Post-war the family enjoyed holidays at Eccles on Sea and sailing on the Broads in her Dad's cruiser.

Varlie attended Blyth Grammar School in Norwich. Then, in 1960 she began training as a State Registered Nurse at the Norfolk and Norwich United Hospital. 1964 saw her moving to the City of London Maternity Hospital; then on to District Maternity in Portsmouth and Southsea and eventually to rural Norfolk where she encountered the stark reality of bucket loos in back yards!

Having completed Health Visitor training at Ipswich, Varlie became a Health Visitor in Thetford. That was in 1970 at the time of the London overspill - I know it was 1970 because she was my Health Visitor after I had my first baby! In 1972, Varlie married Arthur Sheldrake. They had a happy marriage and were both very proud of their two children, Julia and William. Although she had no grandchildren, Varlie always took great delight in what she called her 'grand dogs' and 'grand cats' – Julia and William's pets.

After the children were born, Varlie didn't return to paid work, but she did lots of voluntary work ... She was an active member of the WRVS (Womens Royal Voluntary Service) which involved both cooking and delivering Meals on Wheels. She was an active part of the Luncheon Club team. She helped with Playgroup and also helped set up Mother and Toddlers ... and of course the Church ..... flower arranging, wife of the Church Warden; PCC secretary; Bible Notes provider and helping to produce Contact Magazine – a single sheet when she started, finally taking over as Editor in 2006. Despite all her voluntary commitments, Varlie returned to nursing, part time, at East Harling Surgery, in the late 1980's. In 2000, she began training for Ministry and was ordained Deacon in 2003 and ordained Priest the following year, 2004, alongside Revd Lynn Fry. She has served across the Benefice since then and covered no less than four vacancies when we were without a Rector over the years.

In 2006, Arthur died. They had loved to explore new places with the children and, later, on their own ... there were so many happy memories. Varlie was determined to continue exploring and so she did ... Two visits to the Holy Land, also Jordan, Petra, Austria, Malta ... Egypt – where she climbed up (part) Mount Sinai to see sunrise. This made such an impression she wrote about it in the Clergy spot in Contact - I quote - *It was fantastic but I found the most memorable part of that climb was to see the pitch-black night sky studded with stars and to contemplate the greatness and splendour of the universe. 'My God, How Great Thou Art!'* The icing on the cake was to spend her 80<sup>th</sup> Birthday in Jerusalem!

Varlie was a real trailblazer, she was always keen to push the boundaries to make life better for everyone. She strongly supported the passing of the Equality Act and was admitted to the **Roll of Norwich Freemen** in 2011 – previously only open to males. She was also extremely proud to be awarded the Freedom of Harling Parish in 2017 – she particularly valued this honour because she had been chosen by the village.... By the people she has loved and served for so many years. Anybody who read her farewell letter in Contact Magazine in November last year can be in no doubt how much she cared for each and every one of the parishioners in these villages. Varlie was a loving Mother to Julia and William a caring sister to Olive; a valued and supportive friend to many; an encouraging and trustworthy colleague .... But above all she was a woman whose life was deeply rooted in prayer and scripture. She served her Lord faithfully to the very end. Varlie was a legend. She was wise, she was honest and to the point, she was independent, and full of positivity – always looking on the bright side – even in the bleakest of situations! She had a wicked sense of humour and her very own brand of sarcasm. Anyone who was present at her final farewell listening to the music as she was carried out of the church – “Unchained Melody by The Goons” perfectly demonstrated her sense of humour. .... do listen to it on Youtube if you can it is very funny!) Varlie will be missed by all of us in so many ways. But mostly I think we will miss her leadership, her understanding and her compassion. Her faith in God has been an inspiration to many. And so I say thank you for all you have given to us, Varlie. May you rest in peace and rise in Glory!

*Caryll*

I hope by the time you are reading this you have had a good Christmas. I would like to wish all our patients a happy and healthy New Year.

December was saw the first cold spell of weather of the winter followed by the nationwide concerns over Streptococcus (Strep A) and rising flu and Covid-19 infection levels.

As a result, December saw all-time highs for the Practice in respect of not only the number of telephone calls received but also prescriptions dispensed. On one Monday in December there were over 1,200 attempted telephone calls to the Practice.

Our upgraded telephone system now enables patients seeking to order repeat prescriptions to utilise Option 2, thereby relieving the pressure on the appointment booking line (Telephone option 1). This dedicated service is available from Monday-Friday 10:00 am – 1.00 pm.

Option number 1 at the telephone is not available for repeat prescription requests, but repeat prescriptions can also be ordered via our website 24/7 or by visiting the Practice during opening hours.

To further enhance patient access, January sees the introduction of the Practice being open 1 Saturday each month at East Harling between 8:30am and 2.00pm. Appointments for these Saturday clinics will need to be pre-booked. Whilst there will be no facility to take incoming telephone calls on these Saturdays, a member of the Reception team will be on site to help patients attending the pre-booked appointments, and with general enquiries. In addition, the Dispensary at East Harling will be open on these Saturdays.

Unfortunately, we continue to see high numbers of booked appointments not attended by patients, totaling 136 appointments in December. Telephone appointments are included in this number because clinician time is allocated for telephone appointments in the same manner as face-to-face appointments. With demand for appointments at such a high level, even with very short notice it is almost certain that we can offer cancelled appointments to other patients.

As ever, I very much welcome any feedback or suggestions on what you would like to see in these updates – my direct e-mail address is [s.round3@nhs.net](mailto:s.round3@nhs.net).

**A Bunch of Amateurs - Hardly!**

I am very excited to be directing “A Bunch of Amateurs” with The Harling Theatre Company at The Old School Hall, East Harling on 24<sup>th</sup> and 25<sup>th</sup> March 2023.

**A little bit about the play.**

Keen to boost his flagging career, fading Hollywood action hero Jefferson Steele arrives in England to play King Lear in Stratford – only to find that this is not the birthplace of the Bard, but a sleepy Norfolk village. Instead of Kenneth Branagh and Dame Judi Dench, the cast are a bunch of amateurs trying to save their theatre from developers. Jefferson’s monstrous ego, vanity and insecurity are tested to the limit by the enthusiastic am-dram thespians.

Warning there is sexual references and some adult language, but these are necessary for the plot and the humour of the play, plus of course flamenco dancing, sword fighting, action heroics and a sex scandal thrown in too!

This play really has it all, so I hope you can join us in March and see what a **talented** Bunch of Amateurs you have in East Harling. If you would like to be part of this play, whether as backstage or as a cast member, please contact us....we really are a super friendly bunch and all are welcome.

**Dates: Fri 24<sup>th</sup> March at 7.30pm and Sat 25<sup>th</sup> March 2023 with 2 performances a matinee at 2.30pm and evening performance at 7.30pm - £10 per ticket (carers go free)**

VIP Tickets: Available for Fri 24<sup>th</sup> March performance only – treat yourself to a 2 course evening Meal at The Nags Head before the show, best seats of the house and a free raffle ticket and programme £32 pp – To Book 07808 509110

## THE GARDEN IN FEBRUARY

"Some random quotes about February:  
*If January is the month of change, February is the month of lasting change. January is for the dreamers... February is for the doers.* - Marc Parent

*Every gardener knows that under February's cloak of winter lies a miracle...a seed waiting to sprout, a bulb opening to the light, a bud straining to unfurl. And the anticipation nurtures our dream" - Barbara Winkler*

*"There is always in February some one day, at least, when one smells the yet distant, but surely coming, summer" - Gertrude Jeckyll*

**Snowdrops and winter aconites:** if you are lucky enough to have clumps of these split them when they finish flowering and replant to establish new clumps. If not, this is a good time to plant them "in the green" - far more successful than planting dry bulbs in the autumn.

**Lawns:** A good month to lay turf so that it has time to root down and establish ready for the summer. (Wait until early April to sow seed when the combination of a little warmth and rain will encourage strong growth).

**Shrubs, trees and deciduous hedges:** Bare root plants are still available at a fraction of the cost of potted ones, and will establish quickly as the soil warms up.

**Hedges:** Cut deciduous hedges hard to promote new growth before birds start building nests.

**Pruning:** Prune bush roses hard to outward facing buds.

**Perennials:** Remove dead material before new shoots begin to grow. Split established plants. Plant new perennials. *Tip* small plants from garden centers establish quicker than larger ones and in a couple of years will be as big and healthier than large, more expensive ones.

*Tip 2* Look around the village – there are several stalls with people selling surplus plants at a fraction of the garden center prices.

**Dahlias:** Tubers are now available in the garden centers. If you do buy them protect them from frost but don't store in a dry centrally heated room.

**Gladioli:** as dahlias.

**Sweet Peas:** Sow in pots in a cold greenhouse or cold frame. Soak seed overnight (no longer!) before sowing.

**Annuals:** not until next month.

**Vegetables:** *Tip* most packets of seeds contain far more than you need. If kept cool and dry, and resealed most seeds will remain viable for several years (not parsnips).

Sow in a heated propagator cucumbers and wrinkled peas; sow under glass without heat, broad beans, brussels sprouts, cabbage, radishes and salad onions; sow outdoors (when ground is not frozen or waterlogged): parsnips, round seeded peas and summer spinach  
Plant early potatoes. Harvest whatever is ready – remember when the weather warms up many of the overwintered crops like kale and leeks will flower and become only good as compost.

**Trays, Pots and Tubs:** Plastic pots and tubs and trays cause environmental problems when disposed of, and there are now more environmentally friendly alternatives coming onto the market. However if you have plastic pots you can reduce your environmental impact by washing and re-using them. Toilet roll middles and newspaper

rolled into tubes can be stood in a tray and used for sowing individual seeds such as peas and sweet peas, then when you plant out, plant the whole container (below soil level or it will act as a wick and dry out the area around the roots). Plastic meat trays can be recycled or with several small holes made in the base they make good small seed trays.

Good Gardening

Kevin

## EAST HARLING GARDENING CLUB

Membership costs just £9 for a year of interesting talks and demonstrations. Non-members are welcome at our meetings at a cost of £3 (so membership really is a bargain!). This year we will have a new benefit of two cards available to borrow allowing 50% off admission to RHS gardens.

We meet at the Old School Hall at 7.30 on the second Tuesday of the month. Our calendar for the next year, starting in April is currently being put together - watch this space. A trip has been arranged for September to How Hill - an environmental trust on The Broads. Following on from the success of the trip to the variety show on Cromer Pier we are considering organising a trip to the pantomime in Bury St Edmunds at the end of the year.

Our January meeting was a social event taking the form of a quiz night with nibbles. It seemed to be enjoyed by everybody (I wrote the questions, so am biased in thinking it was a brilliant evening!). We had a tie for first place - congratulations to Greenfields+1 and Compost. It was a close fought battle with only 4 1/2 points between all of the tables.

February sees two events, Our regular meeting takes place on Tuesday 14 February at 7.30pm (what better way to spend Valentines evening than listening to a talk by Ken of the Garden Enclosure - always interesting, and normally brings some plants for sale).

**On Wednesday 15 February we have a coach trip to Fullers Mill Gardens for a snowdrop walk, then on to Fordham Garden Centre (order may be reversed depending on weather forecast). Departs from Market Square at 10 am, will start our return journey by 4pm. Cost is £18 including admission to the gardens, open to non-members. Please ring Mary on 01953 717 193 to book.**

Our March meeting will be our AGM plus a social with wine and nibbles.

## HARLING OLD SCHOOL VILLAGE HALL

I am sure many villagers will have heard that we had a burst pipe in the Hall following the cold spell before Christmas. We were very lucky that Steven, a local resident, was passing by and heard water running and was able to alert us to the problem before the whole Hall was flooded. There was extensive damage to part of the ceiling but that has now been made safe and the Hall is being used as usual. We will have to close the Hall again for a few days while the damaged ceiling is replaced but we will let hirers know the dates in plenty of time for them to cancel their activity.

I would like to personally thank the local builder and members of the committee who spent hours clearing up the mess and making it possible for the Hall to be open again in a very short time.

After many years serving as the village school it was opened as a village hall 40 years ago. We will be celebrating a successful forty years serving our community on 3<sup>rd</sup> June with an Afternoon Tea. More details of this event and other special occasions, such as the "Harling Then & Now Slide Show" can be found in Contact and on our website and Facebook.

We are currently looking for new adult cricket players. We would welcome ladies or men of any ability who would like to become part of our fun family friendly club. The Club plays on a Saturday within our home or away matches. We currently have a couple of ladies who play within our team and they do the team very proud!

### PHILIP EDGE AWARD

It is with great pride that I can announce today that Philip Edge has been recommended to His Majesty the King for the honour of Medal of the Order of the British Empire (BEM) in the 2023 New Years Honours List. This medal recognises outstanding achievements or service to the community which have had a long-term significant impact.

Philip has worked tirelessly and voluntarily within our community for many decades now, not only as Parish Council Chairman but on committees such as the Old School Hall, Youth Centre, Village Trusts, Recreation Ground, and many more over the years. Philip has supported our community not for the recognition, but just for the love of East Harling and the desire to see it flourish and continue to be the wonderful village that it is. Philip will receive his medal in due course and will attend a Kings Garden Party in the Summer!

Congratulations Philip, it is a privilege to work alongside you.

🎄🎄CHRISTMAS TREE FESTIVAL🎄🎄

The churchwardens Dorothy and Susan would like to say an enormous thank you to everyone who took part in our Christmas Tree Festival 2022. It was even bigger and better this time thanks to all your support and imagination. The church looked absolutely magical each evening and visitors were delighted with what they saw. We had more trees thanks to more businesses, groups and individuals participating. Thank you so much and we look forward to you all taking part again this year!

Sincere thanks too to everyone who helped in any way at all, whether it was helping to decorate the church, stewarding, selling raffle tickets or anything else. We couldn't have done it without you all. A very big well done!

🎄See you all in December hopefully for our Christmas Tree Festival 2023!

### LARLING CHURCHYARD

The old Leylandi hedge removed exactly a year ago has now been replaced by 50 metres of mixed deciduous hedging plants. They are all wildlife friendly species bringing plenty of colour berries and nuts after a few years growth. Fencing might have to be erected to keep the deer at bay.

One English Oak in the hedge line has been planted by the Revd Simon Richardson. This was acquired as part of the late Queen's Platinum Jubilee Green Canopy Scheme by Larling and Roudham Parish Council. The Council also provided a metal estate type tree guard. Part of the hedging was also funded under this scheme.

After Simon's prayers and blessings we are sure that the hedge will thrive and be admired for future generations and keep the north easterlies at bay.

The PCC would like to thank those that helped in any way with this project

Dudley Stammers.

### THE POPPY APPEAL 2022 ROYAL BRITISH LEGION

Rachel would like to thank the villagers at Larling for their generosity during the recent annual appeal. A total of £204.43 was raised in Larling. The grand total for Wretham, Shropham, Larling and Great Hockham area.

### BOOK REVIEWS – THANKS TO SALLY

Now that Christmas, and the initial New Year, are over, it's an excellent time to get stuck into some new books. I am sure, like many of you, you either had books given to you, recommended, or book tokens gifted. I love gift tokens. Then you can spend them when you like, but for the giver of the tokens, it's harder to know what you purchased. I hope you enjoy reading about some of the books I was lucky enough to read over this festive period. Some books can be found in the Book Swap in Harling, and others in local charity shops or libraries.

#### **A heart full of headstones by Ian Rankin**

I'm a great fan of Ian Rankin and have loved his previous Rebus books. They are the kind of books you just cannot put down once you start. Perfect for rather wet gribbly days. This book follows the previous Rebus, "A Song for the Dark Times". I was looking forward to starting this book. Unfortunately for me, I'm finding it a tricky read. Unsure why. I'm not sure if Ian Rankin has changed his writing style for some reason, but it's not as "smooth" as the others. This will have to be my backup book; I am sorry to say, whilst I read something more pleasurable to get through for now.

#### **The Couple of at No 9 by Claire Douglas**

I have read a few books and love her writing style. You think it's a straightforward crime book, but there is always a twist somewhere where you least expect it. The intro to the book says that "it was the house of their dreams" "until the bodies were found". You want to think you know what's coming next, but I couldn't imagine what did come next—highly recommended if you like crime books with something different in them.

#### **A man called Ove by Frederik Backman**

This book was "gifted" to me by a good friend who thought I would enjoy and laugh at it, which I did. It did seem to be written in an American style of writing, but I checked it is printed in the UK. Perhaps the writer is European. There is something about the writer that is different and always appeals to me. I can wholeheartedly say that it is "warm, funny and unbearably moving", according to the Daily Mail. I did laugh out loud at some parts of it. It is about the grumpiest man on earth; it seems you may think you do not want to know more about Ove, but the fact that he is the way he is makes him more appealing to find out more. A highly recommended book to see other people's views of life.
