Who is it run by?

The course will be run by Andy Harris (Leader of Youth Mission and Ministry, Durham Diocese) and other local youth leaders. All leaders will be appropriately vetted (including DBS checking). All activities are subject to sensible risk assessment to minimise the chances of injury or accidents. In all activities there is a ratio of at least 1 adult to every 8 young people.

The Course

Leadership is not just about holding a top position, like being a team captain or having responsibility at school or even church. Leadership is about making a difference wherever we are; at school, at college, in the community or at home. Growing Young Leaders is all about having fun together while exploring how we can grow in the God-given gift of leadership. The course will be about considering how we can each be an effective leader, what gifts and abilities we have, how we can grow as a leader and explore what God calls us to do.

We will learn together through talks, discussions as well as games, challenges and activities. The course will also include a project to develop and demonstrate leadership skills.

Growing Young Leaders is based on a CPAS course.

Who is it for?

It is for young people in years 10-13 (in September 2022). You can come as part of a church youth group or just by yourself and make new friends!

How much does it cost?

The course costs £60 in total, to include both residential, food and materials.

- £10 deposit now to secure a place (non-returnable)
- £20 by Nov 11th 2022
- £30 by 8th January 2023 (this may be paid by the local church)

Payments can be made by cash, cheque or BACS (see booking form)

Some feedback from previous years

‘Honestly I loved it all so much, I wish there had been more residential but it was loads of fun’; ‘I’ve enjoyed the sense belonging and community’; ‘I really enjoyed meeting new people who share the same faith’; ‘I have particularly enjoyed the residential as it gave us a chance to get to know each other and develop our skills as a leader’; ‘I’ve learnt to have more confidence in my abilities and to see ones I didn’t realise I had’; ‘I’m much more confident within myself and my faith’; ‘I’ve learnt how to be a good leader in a Christian context’; ‘I have learnt I have a voice’; ‘I’ve learnt you can be a leader at any age’; ‘I’d do it again if I could’.

‘Everything about the course has been hugely impressive and faith-building’. (Parent)
