The Lindisfarne Gospels Pilgrimage

September 12-24 2022

A Photo Story
In late January 2022, David Pott heard about the exhibition due to take place in Newcastle between September 17 - December 3 and soon after conceived the idea of The Lindisfarne Gospels Pilgrimage.
In March David decided to go ahead after various organisations agreed to back the project including the following....

Diocese of Durham

The Church of England
Diocease of Newcastle

The Religious Resources Centre agreed to loan us facsimiles of The Lindisfarne Gospels and St Cuthbert’s Gospel of John.
A pouch was especially made for the pilgrimage because we know that during the journeys of St Cuthbert’s coffin, it was carried by one of the monks in a pouch around the neck.
A replica of St Cuthbert’s coffin was made for the pilgrimage by local artist Jane Crawford and wood worker Colin Hardy.
The death of the Queen just four days before the pilgrimage began led to some major adjustments, but it was decided to still go ahead in the confidence that the Queen herself would have wanted it to happen.
Day 1 Monday September 12th - Gainford to West Auckland

Our journey began at St Mary’s Well between the River Tees and St Mary’s Church in Gainford.
There were only five occasions when the coffin was carried in the traditional manner and this was one of them as we carried it from St Mary’s Church at the beginning of our pilgrimage.
Setting out with pupils Gainford Primary School. We are on our way at last!
David sharing with pupils at Ingleton and two children with St Cuthbert’s Gospel and the pouch.
The Co Durham flag with St Cuthbert’s Cross was such a great addition to the pilgrimage. On so many days there was a good breeze which made it more exciting to carry! The black ribbons were to remember the Queen and here they fly well in her honour!
After meeting with three schools on the village green at West Auckland, children from Oakley Cross Primary School walked with us - the youngest we had on the whole pilgrimage.
Left: walking with pupils from St Chad’s School along the Etherley Line. Above: Pupils from St John’s School carry the coffin.
A refreshment stop at our house on the warmest day of the pilgrimage.
Day 3 Wednesday September 14th - Spennymoor to Durham

Left: Walking by the Nicky Back Burn with Tudhoe Grange pupils. Centre & right: At Mount Joy and walking down to Durham with pupils from Durham High School for Girls.
Left: Durham High School handover to St Oswald’s Primary School.
Right: Walking over Prebend’s Bridge with the lid of the coffin.
We had a warm welcome in the cathedral from Canon Michael Everitt who took us to the place where it is most likely that Cuthbert's coffin came when it arrived in Durham in 995.
The coffin stayed overnight beside the tomb of St Cuthbert which was unexpected and very much appreciated!
This was the day of few photos probably because we were so busy with presenting in 5 different schools!

Left: Looking back at Durham as we walked with the Chorister School.

Right: With Chester-le-Street Primary school by the bizarre King Cole sculpture!
A very different day with no schools! We arrived at the Angel of the North and were greeted by a wonderful selection of sandwiches provided by the Charltons. Hospitality was outstanding on the whole of the pilgrimage.
We just had to have a photo of the angels’ side of the coffin with the Angel of the North!
It was wonderful to have such a warm welcome at Newcastle Cathedral and to have the coffin rest in the lovely crypt.
On the opening day of the Lindisfarne Gospels Exhibition, we walked first from the Anglican cathedral to the Catholic cathedral where we remembered Cardinal Hume who did much to promote the Northern Saints. On the left is Robert Byrne, the Bishop of Hexham & Newcastle. We carried this banner of St John from the Lindisfarne Gospels.
We also had Dean Geoff from Newcastle Cathedral, Mark Bryant, former Bishop of Jarrow and Canon Eileen Harrop representing Durham Diocese with us. Here we pause at Pilgrim Street before finishing this special ecumenical walk at the Lang Art Gallery.
In the afternoon we paused at St Mary’s Well by Jesmond Dene, then walked on to Killingworth passing this lake before arriving at St John’s Church.
It was good to have Sarah Moon, vicar at St John’s leading us for the first part of the day via waggonways towards the coast at Seaton Sluice.
In the afternoon, we had a walk on this good path to Blyth with time to talk to people on the way. In the evening we arrived at sunset at our wonderful accommodation aboard the tall ship Williams II!
Left: Our day began with our host Clive Gray treating us to a wonderful cooked breakfast!

Right: A quiet moment at sunrise.
Today was the Queen's funeral and when we gave a presentation in Cambois it was good to see St Cuthbert and the Queen together. It was a quiet reflective day as we continued the pilgrimage.
You can see here how much pupils from Grange View C of E School enjoyed carrying the flag and sensed the privilege of carrying Cuthbert’s Gospel.
Left: “Just feel the weight of that!” Those gospels sure are heavy!

Right: Paul Gray explains about the badges before giving them out.
Happy Grange View pupils all badged up with Discover The Lindisfarne Gospels books after a great time walking with us.
In the afternoon our pilgrims took an accidental diversion to this hill with a cross marking where St Cuthbert was consecrated as Bishop of Lindisfarne - it was meant to happen!
Our day began at Hipsburn Primary School. We loved having outdoor presentations like this with so much good weather!
We enjoyed refreshments at Craster and walking past Dunstanburgh Castle was a highlight.
Day 11 Thursday September 22nd - Embleton to Bamburgh

Pupils from Embleton School walked with us to Low Newton and for a change we had some rain, but it didn’t dampen our spirits. Dunstanburgh Castle was in the background as we walked along the beach.
At St Ebba’s Church in Beadnell, there was a short service, followed by our sharing about the pilgrimage to members of the congregation and pupils from Ellingham C of E School. We also enjoyed a good lunch before we set off for Seahouses and Bamburgh.
Soon after we had given a presentation at St Aidan’s Church in Bamburgh, a late evening shaft of sunlight from the west window lit up the coffin. It was a glorious “saints in the sunlight” moment and this photo doesn’t do it justice!
Day 12 Friday September 23rd - Bamburgh to Fenwick

Left: Leaving Bamburgh behind as we walk to Belford for our final school presentation.
Right: We arrive at Cuthbert’s Cave.
Left: It’s always a great moment to reach the top of the hill above Cuthbert’s Cave and see Holy Island.

Right: Walking down to Fenwick with the end in sight.
After walking from Fenwick to the Causeway it’s off with boots and trainers and time to head for the pilgrim posts!
Left: Paul Gray expressing how we all feel as we walk the last mile! Right: … and we arrive!
Left: Sarah Pillar anoints David’s feet with oil - such a meaningful action.
Right: The flag is still flying with Cuthbert’s Island in the background.
Last team photo! On the bench: Dave Hay, Ian Woodrow, Paul Gray, Sarah Hay, Pam Pott & Diola.
On the ground: Thom Hay, Heather Graber, David Pott, Johnny Pozzo, Roy Searle, Rebecca Watkins
The pilgrimage ended with a memorable concert by Canadian singer/songwriter Alana Levandoski and poet Malcolm Guite. Here Malcolm reads his poem about Cuthbert’s Gospel as he holds the facsimile in his hand while Alana looks on.
