

# How to make a Box Christmas Tree

- Collect various size cardboard boxes (packing cases down to OXO cube box)
- Paint them all green.
- Pile them up with the largest at the base.
- Put some glue or double-sided tape between each box.
- Decorate with glitter, Baubles etc.
- Put a small manger on the top.
- Wind lights in a spiral from base to top.
- Attach a notice saying something like 'Follow the lights to find the Light of the World'.
