

iSingPOP is a singing, performing, and resourcing project that helps children and families engage in Collective Worship in school, church, and at home.

Alongside the iSingPOP Main Event, we are delighted to introduce you to our additional resources.

A fresh way to engage your children in running their own Collective Worship!

The Pop Box has been developed in partnership with Gloucester Diocese and is an imaginative little box bursting with resources to enable you, or your children, to lead 12 collective worship sessions or services. Inside each box you will find a cross and a candle alongside cards detailing games, crafts, prayers, discussion points, songs, and stories for each of the 12 sessions based on the life of Jesus. With this creative little box, you will be able to reinvigorate your young people to explore faith and take their curiosity to new levels as they are encouraged to take ownership of worship in your school.

The Pop Box is a set of 12 worship 'services' which are:

- Easy to use and include a mixture of prompt cards and digital resources
- Suitable for encouraging peer-led worship in schools
- Flexible - great for a variety of settings, in school or in church!
- Engaging children, staff, and parents
