

BISHOP'S BULLETIN No 44

To the Licensed Clergy of Peterborough Diocese

Easter Eve, 3 April 2021

Dear friends

I'm sending this a day early, in the hope that many of us can start to relax tomorrow afternoon.

Slightly early, but in line with our liturgies for this evening:

***Alleluia! Christ is risen
He is risen indeed: Alleluia.***

Or, for those who prefer the simple and immediate: ***Jesus is Alive!***

May we all know and experience his risen life in us, through us, among our people, transforming our world.

Ordination Vows

It was so good to see so many of you (even via zoom) on Thursday. There is a recording [here](#). Our fellowship in the priestly service of the gospel is very precious. Thank you.

Oils for anointing

Apologies that I gave the wrong link for our Precentor's email address last week. You can request oils from [Canon Rowan Williams](#) and she will make the necessary arrangements (where applicable, a donation towards postage costs would be appreciated). Please specify oil of catechumens, or oil of the sick, or both.

Time off

Post-Easter breaks aren't what they were, but I hope you can at least have a bit of a rest over the next week. I'm not intending to land another bulletin in your inbox next weekend unless it is anything very important and urgent. I plan to write again on Sunday 18 April.

With love in Christ

+ Donald
