How are you called to be more Christ-like?

A Personal Discipleship Plan (PDP) is an accompanied faith journey you will take with a local minister or mentor. It’s an approach that could help you to feel more confident and equipped to live out the good news of Jesus in all areas of your life, Sunday to Saturday.

There are six questions at the core of your PDP

- **C** Core gifts What are my gifts? Am I sharing my gifts in my everyday life and work?
- **A** Attracted by Where may God be calling me, in mission, service, prayer, community, care for the world, ministry, social action, evangelism?
- **L** Listening Where am I being guided to gain experience or insights? Where is the Bible inspiring and leading me?
- **L** Life plan What is happening in my life now? What would I be doing if I could invent my ideal future?
- **E** Experience What energises me from my current and past experience? Where am I challenged and what am I challenged by? How can I use this in God’s service?
- **D** Discipleship How am I deepening my daily spiritual life and faith? How can I become more Christ-like?

*For it is God who is at work in you, enabling you both to will and to work for his good pleasure*  
Philippians 2:13
The next step

- Ask to meet with your church Minister/Leader/Mentor for an informal conversation about the CALLED questions on the opposite page.
- Allow plenty of time to chat! The conversation will be focussed on positive encouragement.
- Pray together, listen and reflect together.
- Agree next steps together, using the form overleaf.
- Always include one step to fuel your inward journey of discipleship and a step for the out-working of your faith, to explore and develop your gifts and passions.
- Agree a date to talk further, perhaps in 3 or 4 months’ time.

*I praise you because I am fearfully and wonderfully made.*
Psalm 139:14

Completing your PDP

As you complete the form overleaf, think about who might coach or mentor you to provide support and inspiration. Who could you visit or shadow to get some practical experience? What might you read; are there useful courses or website resources to draw on? How will you journal or reflect during the journey?
