- (1) *Such matters may be dealt with by an order providing that they do not involve the transfer of any church (as defined in s.106) from one benefice or parish to another.*
- (2) *Such matters may be dealt with by an order providing that they do not require any benefice to be vacated (under s.39(2)) or provide for dissolving any archdeaconry or abolishing any office of team vicar except with the assent of the archdeacon or vicar or on a vacancy (see s.51(1)).*
- (3) *Such matters may be dealt with by an order except in so far as they relate to a new benefice.*
- (4) *A scheme or order is not required for proposals relating solely to the designation of a church to be a parish church in a parish that has no existing parish church (see [Volume 2 14.4 and 14.15](#)).*
- (5) *A Bishop's Pastoral Order can only alter areas by altering the area of an extra-parochial place.*
- (6) *Only when the archdeaconry is vacant.*
- (7) *A BPO can increase the number of team vicars in a team. It can also reduce the number, but only when the office being abolished is vacant.*
- (8) *Though it is possible to use a BPO to transfer a right of patronage in a Team Ministry which is held by the Diocesan Board of Patronage.*

This schedule covers the most common pastoral reorganisation matters and indicates when it is possible to proceed under the shortened procedure. The Commissioners' Pastoral Division should be consulted in the event of any uncertainty over the correct procedure.

The following provisions in Part 6 of the Measure, which deals with the future of church buildings no longer required for regular public worship, may also be included in a pastoral church buildings scheme:

SECTION OF PM	TYPE OF PASTORAL REORGANISATION	SCHEME
SECTION 58	Declaration of closure for regular public worship all or part of a consecrated church and appropriate to another use or provide for its demolition, subject to a new church or place of worship being provided	Y
SECTION 59(1)	Declaration of closure for regular public worship all or part of a consecrated church and appropriate to another use	Y
SECTION 59(2)	Declaration of closure for regular public worship all or part of a consecrated church and vest in the Churches Conservation Trust	Y
SECTION 59(3)	Declaration of closure for regular public worship of all or part of a consecrated church which is unlisted and outside a conservation area and provide for its demolition and disposal of the site.	Y
SECTION 70	Restore a former church building to use as a church	Y

NOTE: S.66(1) of the Measure enables a church which has not been used for divine service since 1 April 1964 to be declared closed for regular public worship by an order of the Commissioners, subject to the consent of the incumbent, patron and PCC. This is effectively a shortened procedure similar to that under s.17.
