Guidance for the proforma letter to Superintendent Registrars from clergy for applications involving foreign nationals without EU Settled or Pre-Settled Status

Attached is a proforma letter which can be used by clergy when writing a letter of support for couples involving a foreign national without EU Settled or Pre-Settled Status to take with them when they serve notice for a Superintendent Registrar’s Marriage Schedule.

The letter can be dropped into the headed notepaper of clergy or the church and completed as follows:-

**Heading**

To assist the Civil Registrars in knowing your letter does relate to the couple serving notice, it would be helpful to put their full names and address(es) in the heading of the letter, as well as the name and parish of your church, the address of your church and the date of the couple’s wedding.

**First paragraph**

After receiving feedback, we have inserted a sentence required by the Civil Registrars to enable an application to proceed. You should insert the parish name in the space provided. We also refer to all the relevant legislation, for the avoidance of doubt.

**Qualifying Connection(s)**

Although the Civil Registrars do not need to know which specific qualifying connection the couple has with your church or parish, they do need to know the couple have at least one to enable them to marry in the relevant church. We thought a tick box system would be helpful so that the relevant qualifying connection(s) can be indicated easily and the Civil Registrars will know you have seen the appropriate paperwork or established there is a qualifying connection.

**Validity Period**

Marriage Schedules state the date on which a marriage is due to take place as well as a date by which a marriage must be solemnised if it is not possible to proceed on the planned date, for any reason. Marriage Schedules are now automatically printed with a validity period of a maximum of twelve months.

**Divorce**

The Civil Registrars are aware that clergy can conscientiously object to a marriage proceeding in their church because of divorce. We have therefore included an additional sentence so that you can indicate your agreement to marry the couple if a previous marriage has ended in divorce. You will continue to need to use the Marriage in Church after Divorce questionnaire, but it does not need to be supplied to the Civil Registrars.
