What is an Employee & Clergy Assistance Programme (EAP)?
An EAP is a confidential benefit designed to help you deal with personal and professional problems that could be affecting your home life or work life, health, and general wellbeing.

Our EAP service provides a complete support network that offers expert advice and compassionate guidance 24/7, covering a wide range of issues. We strongly believe in providing an EAP service that offers not only reactive support when someone needs it but also proactive and preventative support to deliver the best possible outcomes.

At Health Assured we pride ourselves on offering the highest level of service quality, assured through the calibre of people we employ and our exceptional clinical governance infrastructure.

With Health Assured there really is a better way

Health Assured, in partnership with the Diocese of Oxford, Oxford Diocesan Board of Finance and Oxford Diocesan Board of Education, provides all employees and clergy with complimentary access to an enhanced EAP to assist you in achieving this balance.
