CREATIVE WORKSHOP

USING MUSIC, POETRY & ART TO EXPLORE DEATH, DYING & LIVING WELL

It’s rare to have the opportunity to come together with other people to reflect on living and dying and the fact that every one of us will have to do our own dying at some point. This workshop offers a safe and enjoyable forum in which we can reflect on some of the fundamental questions that our mortality poses.

- What does mortality mean for how I live or want to live my life?
- What do I really believe?
- What really matters, in the end?

There will be reflection, music, poetry, creative activities & sharing.
