Do not store up for yourselves treasures on earth, where moth and rust consume and where thieves break in and steal; but store up for yourselves treasures in heaven, where neither moth nor rust consumes and where thieves do not break in and steal.

For where your treasure is, there your heart will be also.

Matthew 6.19-21
Anglicans are three times as likely to leave a legacy to charity than they are to their church.
Overall legacy market growth of **13-18%** expected **between 2020 and 2024**
Only 15% of Anglicans have ever been asked to support their church by leaving a legacy.
Christian Aid found that people are 18x more likely to leave a gift in their will simply by being asked to consider it.
Do not store up for yourselves treasures on earth, where moth and rust consume and where thieves break in and steal; but store up for yourselves treasures in heaven, where neither moth nor rust consumes and where thieves do not break in and steal.

For where your treasure is, there your heart will be also.

Tools to Promote Legacies
Help us grow God’s kingdom

Did you know you can leave a gift to the church in your will (or in a Letter of Wishes if you already have a will)?

We call these gifts legacies because they allow you to make a lasting difference to our church even when you’re no longer physically with us.

We welcome all gifts in wills, however large or small, and we promise to use your gift to make a difference in our parish. When we receive a legacy we commit to using it to achieve our goal of becoming a church that cares for God’s world in everything we do.

As part of our vision for our church, we want to ensure we plan financially for our future so that we can continue to grow our Christian presence in the local community. By leaving a gift to us you can help with the good things we have planned for the future – see the list of our church’s priorities on the right.

Tailor your own church’s missional goals from the following examples
- Increase the natural value of areas of our churchyard/gardens for wildlife
- Invest in new audio-visual equipment
- Run drug and alcohol addiction support services in our buildings
- Take our young people to Taize/Wellingham/Spring Harvest
- Invest in a new environmentally friendly heating system
- Provide accommodation for a full-time curate.

Want to take it further?

To hear more about leaving a legacy for the future of our church speak to your contact person.

COVID-19 showed us that the future can be very unpredictable. While we will always try our best to use any gifts in accordance with the above goals, we may occasionally need to change our priorities. However, in all circumstances we will use your gift to support the life and mission of our church in this community.

For more information and guidance on the legal wording for a will please visit churchofengland.org/church-legacy

If you would like to make a gift to our church in memory of a loved one, please come and discuss this with us.

A letter of wishes alongside your Will

A Letter of Wishes is an informal letter that accompanies your Will. It can be a very useful document in assisting your Executors and Trustees to ensure your personal wishes are carried out.

As needs change over the years, most Parochial Church Councils (PCCs) encourage gifts in wills to be left for the general purposes of the parish rather than for a restricted purpose.

However, if you would like to see the gift used for a personal area of interest in the church (e.g. music, buildings, children and youth, overseas mission or aid) you can outline this in your Letter of Wishes. When the time comes, the PCC will discuss possible uses of your gift with your Executors bearing in mind your Letter of Wishes and the church’s priorities at the time.

You can use the Letter of Wishes Template over the page to share your personal wishes.

The contents of the Letter of Wishes will depend on your individual circumstances. You must take care that your Letter of Wishes does not contain anything that could conflict with your Will.

You can write or type the Letter of Wishes yourself. It should be written in plain English, signed and dated by you and addressed to your Executors. It is not legally binding and does not require witness signatures.

You can also specify the type or style of funeral you want, including any specific instructions regarding the service.
