What is a **Church Changemaker**?

A person with a desire to make a positive impact within the Church. They do this by addressing challenges, advocating for what they believe in, creative thinking, and inspiring others to make a difference.

Why do we need **Church Changemakers**?

Church Changemakers play a vital role in shaping the life of the Church. Their care for the Church's impact in the world and their communities, alongside their willingness to speak up for what they believe in, creativity, and any experience they bring, makes them powerful advocates for the people, places, and things on their heart.

How can you get involved?

If you would like to be a **Church Changemaker**, we want to encourage you to stand for Diocesan Synod, the governing body of the Diocese of Salisbury. Whatever your experience or background, if you are aged 16 or over, are on your church's electoral roll, and have a desire to positively impact the future of the local Church, we want to hear your voice as we discuss key matters that impact our communities (such as climate, advocacy and justice) from the North Wessex Downs, all the way to the Channel Islands.
