For Church projects  
across Dorset and Wiltshire

# Guide to grant funding

This Diocesan Funding Guide lists trusts and foundations that may provide grants for church projects across the Diocese of Salisbury. While this isn't a totally exhaustive guide, it aims to list a range of national and more local trusts that aren't featured elsewhere (for instance, the National 'Charitable Grants for Churches' guide).

The trusts are listed in alphabetical order within broad categories. Please note that some trusts may fund project areas that fall under more than one category, but to save repetition they are just listed against one of their programme areas. Therefore, we have also used 'key words' to help you to search for certain activities. These searchable terms are listed below.

This guide is a living document, and is subject to change as trusts come in and out of the funding marketplace. If you'd like to suggest a trust for inclusion in this guide, or suggest the removal of an irrelevant or closed trust, please contact **Anna Hardy** at [anna.hardy@salisbury.anglican.org](mailto:anna.hardy@salisbury.anglican.org) or call **07500 831566**.
