

## Schools who have completed the Programme for Church School Flourishing (PCSF) and who engage with the follow-on developmental networks and quality assurance visits will no longer require the SDBE PSA.

Through your engagement with the PCSF your trust has been fully equipped to lead and embed a programme of professional development for school leaders across the traditional strands of the PSA offer, as shown below.

## Support for Trusts

The SDBE offers distinctive support to Trusts – a range of provision and tailored work, as priced below, bespoke to the needs and context of each Trust. This is at a significantly reduced rate in acknowledgment of the key role of Trust and SDBE partnership as system leaders in an ever-changing educational landscape.

It is likely that the developing expertise of church school flourishing in your Trust will equip schools with much of the knowledge, skills and wisdom required however, Trusts, are welcome and encouraged to continue accessing the bespoke CPD opportunities, benefitting from the in-depth thinking and initiative development of SDBE advisers who continue working regularly at a regional and national level. The examples given below can be accessed as an entire trust, for hubs within a trust or for individual schools.
